

MATURITA

EXAM PAPER 11

LEVEL B1

TASK 1 (Visual Input)

(KCP 10)

Talk about the pictures. Talk about what kind of situation is depicted in each picture. Try to determine the relationship between these people and give your opinion about it.

(You are supposed to talk about the picture for approximately 5 minutes.)

TASK 2 (Discussion about the Topic)

(KCP 11)

- What can you do every day to help the environment?
- What things cause environmental problems?
- How does being in nature make you feel?
- Name 3 things in nature you find most beautiful.
- How eco-friendly is your country?
- What is the main problem with renewable energy sources?

(The dialogue between you and the examiner should take approximately 10 minutes.)

TASK 3 (Simulation / Role-play)

(KCP 3)

Student A: You are a doctor. Your patient is very unhealthy due to excessive drinking and smoking (cigarettes). He/she also eats unhealthily and does not exercise enough. Convince him/her to change the way he/she is living, or he/she might die.

Student B: You are at the doctor's office. You have just had a health checkup.

(You are supposed to have a dialogue with your examiner. It should last approximately 5 minutes.)

MATURITA

EXAM PAPER 12

LEVEL B1

TASK 1 (Visual Input)

(KCP 18)

Describe the picture. What free time activities are popular in your area? What is your favourite way of spending free time?

(You are supposed to talk about the picture for approximately 5 minutes.)

TASK 2 (Discussion about the Topic)

(KCP 12)

- **What are some of the greatest technological achievements?**
- **What should robots be used for?**
- **What science fiction films have you seen? Do you think that what you have seen in these films is possible?**
- **How will science change the world in the next 100 years?**
- **What was your favourite science subject? Biology? Physics? Chemistry? Why?**
- **How would you live if the Internet went down for a month?**
- **How do you think human civilization will ultimately end?**

(The dialogue between you and the examiner should take approximately 10 minutes.)

TASK 3 (Simulation / Role-play)

(KCP 13)

You are a student of a secondary school where the free condom campaign has just been introduced. Only some students support this program and some parents do not like the idea. Think of the reasons why the program is a good/bad idea.

(You are supposed to have a dialogue with your examiner. It should last approximately 5 minutes.)
