TASK 2 (Discussion about the Topic)

- How is today's media different from that of the 20th century?
- Do you think the media try to manipulate people or change their views? Explain.
- Should there be any censorship of the media?
- Do you like the fact that media coverage of the world events is instantaneous and extensive?

(The dialogue between you and the examiner should take approximately 10 minutes.)

TASK 3 (Simulation / Role-play)

(KCP 19)

In the past twenty years, many immigrants and refugees have arrived in your country from war-torn countries. These people have not adapted well. Most live in their own communities and do not speak the official language or follow the local customs. This has made it hard for them to get jobs; many live on welfare money from the state. Think of ideas that could help these people to integrate into society and present them.

(You are supposed to make a dialogue with your examiner. It should last approximately 5 minutes.)
