

TASK 1 (Visual Input)

(KCP 3)

Talk about the pictures. Say what kind of situation is depicted there. Try to determine the relationship between the people doing these sports. Try to predict their future.

(You are supposed to talk about the picture for approximately 5 minutes.)

TASK 2 (Discussion about the Topic)

(KCP 19)

- What is multiculturalism?
- What problems does multiculturalism bring to a country?
- How would the world be different if there was no multiculturalism in any country?
- Is multiculturalism good for world peace and understanding? Give reasons.
- Would you prefer your country to be multicultural or of just one culture?

(The dialogue between you and the examiner should take approximately 10 minutes.)

TASK 3 (Simulation / Role-play)

(KCP 8)

You are a student interested in science. You want to invent a class robot. The robot will have a limited brain capacity. What activities or thinking processes would you suggest to let the robot think and work instead of you? Give your reasons.

(You are supposed to have a dialogue with your examiner. It should last approximately 5 minutes.)
