

## Get Inspired by Greta Thunberg

*Greta Thunberg is a Swedish teenager. She fights against climate change. She travels the world, meets world leaders and gives speeches.*

### Prepare your own speech.

#### Firstly, discuss climate change in class.

1. What's the problem?
2. What do people do wrong?
3. What should we do to stop it?
4. How can I help?

#### Secondly, try to finish the ideas.

Ladies and ..... People on the coast .....

We've come here to ..... Islands .....

The problem is that ..... The polar ice .....

The climate ..... There's no time to .....

The oceans ..... I think we should .....

Animals .....

#### Thirdly, write down the speech.

#### Fourthly, give the speech in front of the class.

#### Discussion

- Why is it so important to talk about climate?
- Is it right to join the strike?
- Why do you think world leaders do not act?
