### THE FOUR R'S

**REDUCE** – to use less

**REUSE** – to use again

**RECYCLE** – to change waste into a usable material again

**RENEW** – to make something new, fresh, or strong again

There are many ways we can help our Earth. Some of the best ways are using the 4 R's of sustainability.

### EARTH DAY

Earth Day is a day to celebrate our planet.

It is also a good day to reflect on our planet's problems and how we can make a difference to make our Earth a better place to live.

### EARTH DAY PLEDGES
