

How green is your school?

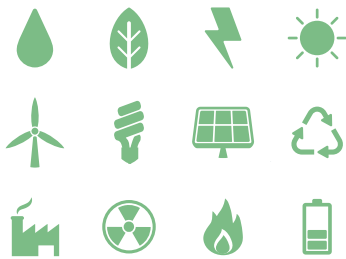

First, write the correct number 1-6 to each picture a)-f). Then answer these questions and find out.

a) _____

b) _____

c) _____

d) _____

e) _____

f) _____

	YES	NO	DO NOT KNOW
1. Do you recycle?			
2. Do you put batteries in special containers?			
3. Does your school have a garden?			
4. Does your school have renewable technology [solar...]?			
5. Do you have posters about ecology in your school?			
6. Do you have plants/flowers in your classroom?			

If you answered 'YES' to 5-6 questions, your school is definitely interested in ecology. If not, you can ask your teachers 'Why not?'
